The Superintending Engineer, Malnad Circle, Shimoga forwarding a statement showing the details of wells & other works taken up under the M.I. scheme since the commencement

Order no 2614-16

Dated 28/8/20

Recorded

2. Well works The no of well works taken up in the 3 districts was 325 in Shimoga, 242 in Kadur & 156 in Hassan respectively of which 172 & the number of such works completed was 172, 54 and 73 respectively. Of the 325 works taken up in the three Dts 172 were completed in the Shimoga Dt. 75 and 36 were the number of parapet works and 28 & 18 the no of old wells taken up for improvement

The no of

(46 well.

11. The no of incomplete works ~~were~~ was 153 in Shimoga, 116 in Kadur and 64 in Hassan districts and their details are as follows:-

no	Dt	no of Works taken up before 1917-18	no of Sanctioned during 1917-18	no of Sanctioned during 18-19	no of Sanctioned during 19-20	Total
1	Shimoga	16	38	78	23	153
2	Kadur	13	26	48	29	116
3	Hassan	10	9	23	22	64
	Total	39	73	147	74	333

From the above statement it is seen that about 1/3 (or the no belong to) of incomplete works ~~belong to~~ a period before the 1st July 1918 and a little less than ½ the total no belongs to the year ~~to~~ 1918-19 done This is not very satisfactory the Deputy Commissioners are requested to complete the long standing works as early as possible.

2. Drainage works 35 of the 73 works sanctioned in Kadur district have been completed at

(4

at a cost of Rs. 4447.
Very little work is done in the head with other two districts.

4. Other works. Nothing is stated about the roads undertaken in the Shimoga District, though the half year reports state that about 19¾ miles have been completed. The Kadur & Hassan districts have undertaken only 3 & 2 works respectively. No works of sanitary improvements are reported to have been undertaken in the Kadur District.

out of 35 miles of roads undertaken

5. Taluk-wise works. The largest number of works pending in any taluk is in those of Sagar taluk being 63 of which 35 are of well works & 18 works of sanitary depts. The next largest number of works pending is in Chickmagalur viz 58 of which 49 is the no. of incomplete well works. The no. of well works pending in Hirisave & Tirthahalli are also heavy being 28 & 29 respectively and the total no. of works are 43 & 33 respectively.

6. Estimate & Expenditure

In Shimoga & Kadur districts. works have been done at a sum of cost of Rs 27,999 & Rs 47,830-80 respectively and the has been paid and Rs 62,630 and Rs 60,020½ respectively remain to be paid, but in Hassan district the amount paid is Rs 58,080 and the amount to be paid is Rs 15,682. i.e. In Shimoga & Kadur the amount to be paid is more than the amount paid

4.8

~~But~~ but in Hassan the amount to be paid is ~~for~~ less than that already paid out though only a little more than half of the sanctioned works have been completed

It is also noticeable that ~~Hass~~ in the Kadur District though the works other than well works ~~are~~ have been completed a sum of Rs 826 still remains to be paid. The Dy. Comr is requested to settle the account at a very early date.
